

PHYSICAL ENVIRONMENT

The physical environment can contribute to children’s wellbeing, happiness, and creativity as well as promoting the development of independence. It can contribute to and make visible the quality of children’s learning and involvement in experiences. The choices made in Happy Haven OSHC service’s about resources, materials, spaces, layout, air, and light in combination with access to a range of experiences in the indoor and outdoor areas, have a direct impact on the quality of learning opportunities available to children.

NATIONAL QUALITY STANDARD (NQS)

QUALITY AREA 2: CHILDREN[S HEALTH AND SAFETY		
2.1	Health	Each child’s health and physical activity is supported and promoted.
2.1.1	Wellbeing and comfort	Each child’s wellbeing and comfort is provided for, including appropriate opportunities to meet each child’s needs for sleep, rest and relaxation.
2.1.2	Health practices and procedures	Effective illness and injury management and hygiene practices are promoted and implemented.

PURPOSE

Happy Haven OSHC will ensure the environment is safe, clean, and well maintained for children, families, educators, and visitors. Children’s awareness of the environment and sustainable practice will be supported through daily practices, resources and interactions. The physical environment will support children’s participation and engagement, development, learning, and safety, and will provide supervised access to positive experiences and inclusive relationships. Happy Haven OSHC provides an environment free from the use of tobacco, alcohol and illicit drugs.

SCOPE

This policy applies to children, families, visitors and all Happy Haven OSHC staff.

IMPLEMENTATION

Our Service is committed to providing an environment that promotes safety and enhances children’s learning and development.

THE APPROVED PROVIDER, NOMINATED SUPERVISORS AND EDUCATORS’ RESPONSIBILITIES INCLUDE THE FOLLOWING:

PHYSICAL ENVIRONMENT IS DESIGNED TO:

- Maximise children’s engagement and positive experiences
- Provide space where children can experience quality care in a safe and healthy environment
- Meet licensing requirements for buildings, space requirements, fencing, light, ventilation, firefighting equipment, emergency evacuation exits and safety glass for National Regulations, the Building Code of Australia (BCA), South Australia Department of Planning and Environment, local councils and regulatory authorities

- Provide adequate storage to meet the needs and requirements of the service
- Provide sufficient and accessible handwashing, toileting, eating
- Ensure toileting and hand-washing facilities are accessible from both the indoor and outdoor environments
- Provide appropriate areas for food preparation
- Provide an area for managerial purposes, consultation with children's parents and for private conversations to occur
- Incorporate natural and artificial lighting, appropriate ventilation, heating, cooling and fresh air into the building/premises
- Facilitate adequate supervision of children at all times
- Ensure safety and minimal disruption for children whilst playing
- Provide different types of play to occur both in the indoor and outdoor areas (e.g. quiet play areas and loud play areas)
- Provide adequate shade for children in accordance with the recommendations of relevant authorities
- Provide shade in the form of trees or physical shade structures
- Provide a natural environment for children to explore and experience which may include plants, trees, gardens, rock, mud and/or water
- Ensure all required fencing is compliant with current regulations and is maintained to ensure it is in good condition (including boundary fencing)
- Provide a variety of indoor and outdoor experiences, catering for children's interests and abilities
- Provide a developmentally appropriate environment where children can explore, solve problems, create, construct and engage in critical thinking
- Provide an environment that permits children to participate in activities independently or in small groups, and access resources autonomously
- Ensure safety of children at all times. Play equipment must comply with playground standards- AS 4685-2014
- Power points not in use have safety caps, all double adaptors and power-boards are out of reach of children, and all electrical cords are secured and not dangling

CHOOSING APPROPRIATE RESOURCES AND EQUIPMENT

- Appropriately sized furniture and equipment will be provided in both the indoor and outdoor environment for the age ranges represented in the OSHC service (Pre-school – Year 7)
- Resources will be adequate in number for the number of children attending our service and be developmentally appropriate
- Children will be supported to access appropriate furniture, resources, materials, toys and equipment that encourage appropriate challenges and risk taking in accordance with their individual developmental level
- Specific equipment requirements of children with additional needs will be catered for to ensure an inclusive environment
- Resources and equipment will be chosen to reflect the cultural diversity of the service's community and the cultural diversity of contemporary Australia, including the incorporation of the Aboriginal and Torres Strait Islander community
- Large purchases of equipment will be the responsibility of the Approved Provider subject to Purchasing Procedures and risk assessments
- The Nominated Supervisor is responsible for consumables and the daily running purchases of the Happy Haven OSHC service
- Educators will provide ideas for equipment and materials purchase based on the needs and interests of children attending the Happy Haven OSHC service
- Educators will complete a daily checklist for the Nominated Supervisor of equipment that needs maintenance on a prioritised basis
- Children's ideas and suggestions in planning the indoor and outdoor environments will be facilitated
- Children will be encouraged to make decisions about the use of equipment and resources
- Happy Haven OSHC service's will actively seek the input of parents/guardians regarding current interests of their children so as to purchase appropriate toys and equipment
- Climbing equipment will be installed according to manufacturers' recommendations and compliant with Australian Safety Standards. For example, incorporating soft fall materials wherever climbing equipment is set up.
- Incorporate commercial, natural, recycled, homemade, and real resources that can be used in a variety of ways to encourage children's learning and creativity
- Educators will participate in on-going professional development in order to enhance children's learning and ensuring a safe and educational environment

REARRANGING, ADDING OR REMOVING FURNITURE

- A **record of any changes** that is made to the physical environment of the OSHC Service, such as rearranging of rooms etc. to show continuous improvement
- Links between the arrangements and choice of resources and equipment and the children's learning in the program will be documented

ONGOING MAINTENANCE

- Frequent risk assessments of the indoor and outdoor environment will be conducted in order to minimise risk and hazards.
- The Nominated Supervisor will document required maintenance in a maintenance log for the service as required. Repairs and maintenance will be conducted throughout the year according to priority including, hazard removal, safety precautions and any relevant policies

DAILY SAFETY CHECKS

A daily inspection of the premises will be undertaken before children arrive. The *Indoor and Outdoor Daily Safety Checklists* will be used as the procedure to conduct these safety checks. A record of these will be kept by the service. The Approved Provider/Nominated Supervisor will make the appropriate arrangements to have any identified repairs carried out as soon as possible. (see checklists in resource section of policy).

The inspection will include:

- Service perimeters
- Fences/fence Line
- Gates
- Paths
- Buildings
- All rooms/areas accessible by children
- Fixed equipment
- Sand pit/mud pit

This must be completed to identify any dangerous objects in the grounds ranging from sharps to poisonous or dangerous plants and animals.

In the event of a sharp object being found (for example a syringe) educators will wear gloves and use tongs to pick up the object and place it in the 'sharp object box'. This box will be disposed of as per the recommendations of our local council.

Similarly, trees in the grounds must be checked regularly for overhanging, dead, or dangerous looking branches as well as checked for any infestations.

CLEANING OF BUILDINGS, PREMISES, FURNITURE AND EQUIPMENT

GENERAL CLEANING

- Happy Haven OSHC service's will use structured **cleaning schedules** to ensure that all cleaning is carried out regularly and thoroughly
- Educators will clean the service at the end of each day and throughout the day as needed
- accidents and spills will be cleaned up as quickly as possible to ensure that the service always maintains a high level of cleanliness and hygiene.
- Educators and staff will adhere to our *Health and Safety Policy*.

WHEN PURCHASING, STORING AND/OR USING ANY DANGEROUS CHEMICALS, SUBSTANCES, MEDICINES OR EQUIPMENT, THE SERVICE WILL:

- Ensure all procedures ensure all procedures are followed to maintain a safe environment
- Adhere to Happy Haven OSHC's *Safe Storage of Hazardous Chemicals Policy*
- Adhere at all times to manufacturer's advice and instructions when using products to clean furniture and equipment at the service
- Keep **a register of all hazardous chemicals**, substances and equipment used at the service. Information recorded should include where they are stored, their use, any risks, and first aid instructions and the current SDS. The register will be readily accessible.

CHILDREN'S BATHROOM

- Children will be actively supervised whilst accessing toilet facilities to ensure other children are safe from harm
- Educators will check the toilet facilities for safety and materials prior to commencement of daily program

- Educators and other staff will encourage children to follow appropriate hygiene practices- hand washing, not playing in bathrooms.
- Where the Happy Haven OSHC service is responsible for cleaning of bathrooms:
 - Bathrooms will be cleaned at least daily and at other times as required
 - Bathroom floors will be mopped at least daily
 - Signage is to be used after mopping to ensure that children, educators and other staff and families are aware that the floor is wet
- Educators are to ensure they follow the bathroom and toilet cleaning procedure for their service.

MAINTAINENCE OF FIRE EQUIPMENT

- All fire equipment at Happy Haven OSHC service's will be maintained as per the legal standards
- External agencies will be employed to assist the service with this maintenance if no currently employed staff or educators are qualified to complete the maintenance checks.

SUN PROTECTION

- Happy Haven OSHC service's will adhere to our *Sun Safety Policy* and procedures at all times
- A combination of sun protection measures will be implemented whenever UV Index levels reach 3 and above
- Educators will continue to check the UV rating prior to going outdoors and as the heat increases throughout the day (see *Sun Safety Policy* for further information)
- Temperature of outdoor equipment and surfaces will be monitored during the day to ensure the area and equipment is safe for children to play (see: Playground surface temperature check)

WATER SAFETY

- Happy Haven OSHC service's will adhere to our *Water Safety Policy* and procedures at all times
- Educators will make sure no child swims in any water without:
 - Risk assessments being completed and approved by the approved provider
 - Written permission from family member to participate in water play
 - Appropriate educators/child ratios in place
 - Having sufficient numbers of educators present who have first aid or recognised water safety and rescue procedures.

- At all times children near water are closely supervised. A child will never be left unattended near any water
- Staff will ensure that all water containers are made inaccessible to children and also make sure children's play areas are safely fenced off from water hazards such as rivers, dams, creeks, lakes, irrigation channels, wells etc.
- All wading pools/water troughs etc. will be immediately emptied after every use: storage will prevent the collection of water e.g. upright/inverted. The grounds will also be checked after rain or watering and water that has collected in holes or containers will be emptied/removed.
- Wading/water troughs are hygienically cleaned, disinfected, and chlorinated appropriately:
 - On a daily basis remove leaves and debris, hose away surface dirt and scrub inside with disinfectant
 - Wash away disinfectant before filling trough.

SERVICE CLOSURE

- Educator/s are to check the entire premises to ensure that all children and families have departed by checking the roll on FullyBooked
- Educator/s are to follow service-closing procedures each night
- In the case where a parent has omitted to sign their child out, and the educators did not witness the child leave the service, the educator/s must take every step to get in contact with the parent to ensure the child has safely left the service
- If unable to contact the family, the educators are to contact other educators present on that day for confirmation that the child has been collected. The Nominated Supervisor is to then be notified before leaving the service.
- All visitors to a Happy Haven OSHC service must sign in upon arrival and sign out when they leave
