

ABSCONDED OR MISSING CHILD POLICY

Happy Haven OSHC service's aim to ensure the safety and welfare of all children attending by ensuring clear processes, communication and cooperation between the service, families and the school community.

Happy Haven OSHC has a duty of care to all children attending our services. While we recognise the potential harm to fall upon a child who leaves supervised areas without permission, measures will be taken to first ensure the safety and wellbeing of all children attending the service, and then to the children who are deemed missing.

PURPOSE

Happy Haven OSHC educators have a responsibility to ensure that all children are accounted for at all times while the child attends the service. It is critical that all educators are aware of the whereabouts of each child and follow correct procedures when a child's location cannot be accounted for.

SCOPE

This policy applies to the Approved Provider, Nominated Supervisor, Responsible Person, educators of Happy Haven OSHC services.

IMPLEMENTATION

For absconded, absent, and missing children, educators at Happy Haven OSHC services will follow all steps and guidance outlined in our *Absconded Child Procedure, Absent Child Procedure and Missing Child Procedure*.

ABSENT CHILDREN (WITHOUT NOTIFICATION)

If a child is booked in for an After School Care session but does not arrive during the roll call period, the Responsible Person will follow Happy Haven OSHC policy and procedures to ensure the location of all booked children is known.

- Families must advise Happy Haven OSHC as early as possible of their child/children's absence from a booked OSHC session
- If a child is collected from the school early due to illness or other reasons the parent must notify the service, using the delegated service's phone number, the Happy Haven OSHC Families line, or an email to their services mailbox.
- If a child does not arrive at the Happy Haven OSHC service at the expected time the Responsible Person will:

- Enquire with educators working at the service if the child has been seen, and to check all areas of the service for their presence
- Conduct a lockdown at the service and headcount/recheck roll
- Ring the child's parent to enquire if they know of their child's whereabouts
- If parents believe the child should be at school, educators will search the school classrooms and premises with the assistance and permission of classroom teachers and any available authorised persons
- Ask the child's teacher and/or office staff if they know of the child's whereabouts and if they were present at school that day
- If the child cannot be found during this search, the child must be considered missing (See: *MISSING CHILDREN (AT THE HAPPY HAVEN OSHC SERVICE)*).
- If the parents have been contacted and the child is subsequently found, the Responsible Person must immediately contact the parents to let them know. This information must be also shared with those who may have assisted in locating the child.
- Notify the regulatory authority within 24 hours of becoming aware of a serious incident as per required in the National Regulations
- Any updates regarding the child's location is to be notified to any parties involved in the process (i.e. Police, family of child, Serious Incidents line)
- The family account will be liable for an additional fee (Not Notified Fee) when they fail to notify the service of their child's absence prior to the beginning of the session

ABSCONDING CHILDREN

If a child becomes distressed, or emotional dysregulated, this can result in the child absconding from the OSHC service and/or school grounds. If a child absconds during a session the Responsible Person will:
